

WORKSPACES

Coworking, a step above.

Semi-private booths for focused work, acoustically treated meeting rooms and a professional legal community, across six addresses in Sydney, Melbourne and Brisbane. Come in as little or as often as you need.

MOST POPULAR

Coworking Unlimited

\$499

per month

Unlimited use of coworking desk space at any Clarence location. There is nothing to book, so you choose your workspace on the day.

Coworking Flexible

\$299

per month

Nine days of coworking desk space a month, at any location. This is the one most people start on when they are getting a new practice going.

Day Office

from **\$200**

per person, per day

A secure private office for the working day at any Clarence workspace, with the full range of amenities and services at that location.

All prices exclude GST and are current at August 2026. You pay for the coworking service and nothing else, with no lock-in contract, no set-up fee and no exit cost.

What comes with a coworking membership.

On-site IT, admin, paralegal and marketing professionals

Access to meeting rooms, boardrooms and event spaces

Enterprise-grade connectivity, with printing and scanning

Complimentary tea, coffee, sparkling water and wine fridges

Out-of-hours access at every Sydney, Melbourne and Brisbane location

A legal community, with referrals, shared knowledge and a calendar of events

Start coworking this week.

Tell us which membership suits and we will set you up. If you would rather see a space first, we will show you through.
